Start Here: A Friendly Brain Game Session

Who this is for

Activity directors, caregivers, and families who want a cheerful, no pressure way to keep minds active. Works one on one or with a group, and needs nothing but the printout and a good attitude.

How to lead it

Read slowly, give hints freely, and celebrate every answer. These are games, not tests. Aim for smiles and a few friendly debates. Twenty to thirty minutes is plenty for one session.

Keep it winning

Play in teams so nobody feels put on the spot. Offer the answer as a multiple choice if someone is stuck. The goal is a good time together, not a perfect score.
